The Board would like to coordinate a quarterly community newsletter, on behalf of all of the community groups operating in Minginish. The Directors hope that this newsletter will be useful for all residents (it'll be digital and also a paper copy so that those who don't use the internet can access it) and also for the community groups, so that they can let the wider community know what they are up to.

Rod Mills has agreed to take this on on behalf of MCHA. He'll be making contact with local groups and we hope to have the community newsletter out as soon as possible.
